Convenor's Report

From the Board of Trustees Tēnā Koutou Katoa

In the role of governance the Board's responsibility is to focus on defining the purpose of Women's Centre along with identifying in whose interest we operate and how Women's Centre will achieve that purpose and that we are financially robust enough to meet these obligations.

One of the important tools which allow us to do this is the Bi-Annual Survey. This was completed in December 2013 by Sandra Isanov, (Intern from Postgraduate Diploma National Centre for Peace and Conflict Studies, University of Otago). These surveys allow us to compare results against both our Strategic Plan and Annual Operating Plan. While it is also a valuable source of information for our funders it allows us to forward plan and meet the future needs of the women using Women's Centre. In Part II of the Survey which brings together the responses from all the women and organisations who responded to survey questions about the importance of safety, a women's-only space, personal development and empowerment, it is apparent that for women in 2013 there are still persistent gender and discrimination issues to be resolved. Sandra Isanov concludes that

"The persistent gender and discrimination issues in which the women of today mention, make it crucial to continue empowering females in order for them to protect themselves from attitudes, behaviours, traditions, practices, customs, discrimination, and violence in the social system. Narrow stereotypes continue to put a burden on the everyday tasks women engage in, but having a space for personal development, feminine influence, support, motivation, and relaxation can provide opportunities for nurturing healthy relationships and creating individual and social change." (S. Isanov, P21, LHWC Survey 2013).

From our perspective we are very proud of our staff, collective and volunteers for their care and commitment to the women and children who come to Women's Centre. They work tirelessly to provide choices of personal development and to provide a supportive space for this to happen. Women can use the kitchen on a drop-in basis, make appointments to see our Counsellor, sign up for workshops, courses, learn computer skills or use the public computer and our library or just rest up in a quiet corner. Thank you all for making Lower Hutt Women's Centre a good place for women.

It is timely that we also acknowledge and thank our members, donors and funders for their ongoing financial support of Women's Centre. We look forward to your continuing support and investment. Special thanks goes also to those women and children who use our services for trusting us to provide a caring, safe and supportive environment.

We said farewell to Pamela Govan in September 2013. Pam was a valuable board member and contributed a wealth of knowledge over her 4 years as a board member. The Board of Trustees for 2013/2014 year were, Susan Gray (October 2013 to May 2014) Rose Melvin (Convenor), Kayley Ngawati, Christine Pihema (October 2013 to May 2014), Mandy Preston (Employment), Kay Riddler (Treasurer), Heather Simpson (Secretary), and Colleen Smith. Thank you to these committed women who give their time, energy and expertise on a voluntary basis.

Counsellor/Supervisor/Trainer/Crèche Worker

Times they are a changing, to quote Bob Dylan from the 60's where I spent my teen years. To me this is very apparent this last year in my work at Women Centre. As I reflect on my role within the centre over this last year, I acknowledge that the grass root development continues to happen, I take great heart in this and pride in my part.

My role within the centre has evolved through the years. Here in 2014 I am the counsellor for the MSD (Ministry of Social Development) contract and some of the Te Awa Kairangi Health Network contract that the centre holds. The quota required by both organisations is met and more. MSD contract means women who have children aged 17 and under are eligible for free and low cost counselling with a qualified NZAC counsellor. The contract that is held with Te Awa Kairangi Health Network Contract covers some women's counselling that doesn't fit into the MSD criteria. Many women, children and families have accessed these services and continue to do so.

Another role of mine in the centre is supervisor. I group supervise the volunteers on a bi-monthly basis with the opportunity for one on one counselling should a volunteer require it.

The Friday morning crèche sessions continue to be a great source of joy to me. It is a privilege to be alongside our precious trusts in an environment that is designed for them. This is a vital part of the grounding that I find is central to my role at women's centre.

My love of group work is well satisfied and challenged with the weekend workshops, six weekly courses and a monthly support group.

The weekend work shops were;

Self-Care vs Burnout x 2 work shops Psychodrama x 2 work shops Women Who Love Too Much x 2 work shops My Mother Myself x1 work shop

The six week courses were;

Menopause Anger as a Strength x 2 courses

Support group: Women who have experienced rape and childhood sexual abuse;

This group is held on the first Sunday of every month, excluding January. When I was away in the UK the group was facilitated by Julieanne Wilson who an ACC accredited counsellor and full member of NZAC.

Throughout the year I have attended Board of Trustee meetings, served as a Collective member, attended Staff meetings, Volunteers Training and helped at a Working Bee. All of these functions contribute to the turning of the wheels that ensure the continuation of the Lower Hutt Women Centre.

I have a commitment to continued Personal and Professional Development. I have attended one on one Clinical and Group Supervision, along with Peer Supervision, Cultural Supervision and belong to two peer networking groups.

Ongoing Training I have completed this year is;

Child Centred Play Therapy x 2 lots of five days training in Christchurch Working with Complex Trauma 2 days in Auckland Working with Disassociation 2 days in Auckland

At the AGM for Wellington/Wairapa branch of NZAC, I stood down after completing three years on the committee.

I have been greatly inspired at times throughout the year by individual woman, education programmes and DVD's we have watched as a collective. These have feed my soul and strengthened my politics, for this I am truly grateful.

Volunteer's Report

The volunteers at the Women's Centre are guided in their work by the Women's Centre's kaupapa and their job description.

They greet women who come into the Centre, give out information about what we offer here and prepare rooms for meetings, courses and workshops. They may also assist women to find information about what services are available elsewhere in the community. They keep the clothing donation bin organised and reprint pamphlets, record statistics and many other tasks as required.

They are also involved in the overall development of the Women's Centre. Below is a list of volunteer's over the last year.

Lynn Topley completes the weekly banking, co-ordinates the payment of the volunteer's book vouchers; checks the emergency supplies and inputs monthly bookkeeping data for the Centre donations. She is at the Centre on Mondays and is also a Collective member.

Julie Smart volunteers on a Monday. She is a member of the Collective. She is also on the Lower Hutt COGS committee.

Kathryn Bradbury maintains the garden and works a regular Friday shift. She is Centre's librarian. Kathryn also brings in flowers from her garden for the kitchen, water from Petone well and the ironing.

Suzy Hobbs redesigned the newsletter and on a quarterly basis puts it all together with input from the other volunteers.

Michelle Bougen continues to be the volunteer for the Painting Workshops – making sure all is well and everything is packed away.

Clare Caffery volunteers on a Thursday afternoon and runs Mosaics when Manager needs cover.

Amber White volunteers on a Thursday morning. She is involved in setting up a youth notice board.

Sarah Rodgers and Tani Harper have both been involved in looking after our website until recently.

Sandra Isanov completed a 100 hour internship at the Women's Centre as part of her Postgraduate Diploma in Peace Studies at Otago University. She completed our bi-annual survey as part of her role here.

Janet Matehe completed a student counselling placement.

Shelley Te Amo completed a social work placement.

The volunteers have ongoing supervision and training that alternates fortnightly on a Wednesday morning. Ally Andersun facilities some of the training and alternate monthly supervision, and the volunteers have peer supervision in-between.

Training topics this year have included:

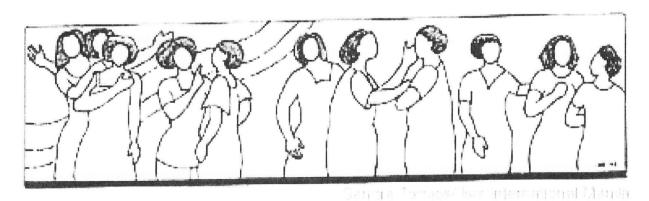

- Homophobia
- Racism
- Health and Disability self advocacy
- "The Truth about Drugs" (dvd)
- Being a Volunteer
- Transgender: The Orchid

Collective Report

The Collective meets fortnightly to plan courses, workshops, training and services and is responsible for overseeing the day-to-day running of the Women's Centre.

We do important work, have fun and good food. We do great singing and share inspirational feminist quotes at each meeting. The Collective members have been Ally Andersun, Stephanie Brockman, Julie Smart and Lynn Topley. Shelley Te Amo attended as part of her social work placement and Sandra Isanov attended while here on an Internship for a Post Graduate Diploma at the National Centre for Peace. Some of the activities the Collective have been involved in were:

- Reviewing the annual operating plan and business plan
- Compiling Collective assessment for Organisation Capability Plan
- Organising groups and workshops
- Reviewing evaluations of groups and workshops
- Reviewing policies
- Attending Strategic Planning Meeting
- Interviewing tutors for running courses/using rooms
- Reviewing ongoing day-to-day running of the centre
- Reading correspondence
- Reading Maori Focus Group minutes

Auditors Report to the Members of Lower Hutt Women's Centre Inc.

I have audited the attached financial statements. The financial statements provide information about the past financial performance of the Lower Hutt Women's Centre (Inc) and its financial position as at 30 June 2014. This information is stated in accordance with the accounting policies set out on pages 1 to 7.

Board responsibilities

The Board is responsible for the preparation of financial statements which fairly reflect the financial position of the Lower Hutt Women's Centre (Inc) as at 30 June 2014 and the results of its operation for the year there ended.

Auditor's responsibilities

It is my responsibility to express an independent opinion on the financial statements presented by the Board and to report my opinion to you.

Basis of opinion

An audit includes examining, on a test basis, the evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:

- the significant estimates and judgments made by the Board in the preparation of the financial statements, and
- whether the accounting policies are appropriate to circumstances of Lower Hutt Women's Centre (Inc), consistently applied and appropriately disclosed.

I conducted my audit in accordance with the generally accepted auditing standards in New Zealand. I planned and performed the audit so as to obtain all the information and explanations which I consider necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming my opinion, I also evaluated the overall adequacy of the presentation of information in the financial statements.

Other than in my capacity as auditor I have no relationship with, or interest in Lower Hutt Women's Centre (Inc).

Fundamental uncertainty

In forming my unqualified opinion, I have considered the adequacy of the disclosures made in the financial statements in respect to the funding available to Lower Hutt Women's Centre (Inc). The financial statements have been prepared on a going concern basis, the validity of which relies upon future funding being available. The financial statements do not include any adjustments that would result from the failure to obtain funding.

Unqualified opinion

As is common with other organisations of a similar nature, control over income prior to its being recorded is limited, and there are no practical audit procedures to determine the effect of this limited control. In this respect alone I have not obtained all the information and explanations I required. In my opinion:

- proper accounting records have been kept by Lower Hutt Women's Centre (Inc), as far as appears from my examination of those records;
- the financial statements on pages 1 to 7:
 - comply with the generally accepted accounting standards
 - fairly reflect the financial position of Lower Hutt Women's Centre (Inc) as at 30 June 2014 and the results of its operations for the year ended on that date.

My audit was completed 19 September 2014 and my unqualified opinion is expressed as at that date.
