Board of Trustees

Being part of LHWC Board has given me the opportunity to give back to the Centre as well as become aware of and grow my skills and strengths while developing special friendships with feminist women. Kay

I feel very privileged to be part of a group of dedicated staff, collective members, volunteers and board of trustee members who work tirelessly to support the women, teenage girls and children who use the facilities and services of Women's Centre.

Rose

Feminism is my kaupapa - being on the Board of Trustees helps me stay connected with this kaupapa - it is oxygen for me and provides me sustenance.

Соввеен

I enjoy being part
of a professional,
creative and
friendly group
that aims
to provide a place
that supports all
women.

Joining the Board has given me the opportunity to be part of an integral part of the Lower Hutt community and it has been rewarding both personally and professionally. It has created the space to grow friendships with all the women who dedicate their time and energy to empower women, teenage girls and children and this in turn empowers me.

Convenor's Report

From the Board of Trustees

Tēnā Koutou Katoa

Writing the Board of Trustees (BOT) contribution to the Annual Report is an opportunity to reflect on the work and activities of the BOT over the last year.

We continue to meet on the last Tuesday of each month and have held 11 meetings since the last AGM. Throughout the year, board members either individually or together, have attended seminars, conferences, workshops and networking events that are considered to be part of our ongoing governance training. We have attended 'Strategic Planning' and 'The Art of Facilitation' workshops. Conferences attended were Women's Studies Association of New Zealand of which Women's Centre is a member, and the Tamariki Ora National Conference. Seminars attended were 'New Standards of Financial Reporting' to look at the proposed new accounting standards requirements for not-for-profit organisations that will take effect from 2015, and a half day seminar on 'Future Proof Strategic Planning'. Women's Centre was invited and accepted an invitation to attend Matariki at Government House to celebrate the contribution of women since Aotearoa New Zealand became the first nation in the world to grant women the right to vote in national elections 120 years ago. In March we celebrated International Women's Day with breakfast at the Women's Centre. In June a group attended the Lower Hutt Chamber of Commerce breakfast where John Key, the Prime Minister, was the guest speaker.

Thank you to all the BOT members for a year of significant accomplishments from reviewing and approving policies, setting in place the annual business plan, good financial management and striving to be a good employer. The continued commitment of BOT members, Pamela Govan (Secretary), Kay Riddler (Treasurer), Mandy Preston (Employment), and Colleen Smith has made this task less onerous. Thank you to these committed women who give their time, energy and expertise on a voluntary basis. The wealth of knowledge and experience these women bring to the board is outstanding.

We are very proud of the commitment and dedication of the staff, collective and volunteers, for their support of the women who use Women's Centre, whether on a daily drop-in basis, for counselling, workshops, courses or to use the library or public computer. It is this group of women who have the day-to-day responsibility of running Women's Centre and without their commitment and hard work Women's Centre would not be able to operate or provide the services that we do. You are an inspiration, thank you.

Rose Melvin Convenor

Manager's Report

Thank you to all the women who have contributed towards the operation of the Centre over the last year. Without volunteers, including Board of Trustee volunteers, we wouldn't be able to exist. Thank you to all the women who have come in and used the services and taken a risk in sharing who you are, and because of that you have benefitted and others have too.

Donations

Many women are continuing to donate money on a weekly or monthly basis and we put this into repairs and maintenance fund. From these donations we have upgraded the front two rooms, plaster skimmed and repainted, shifted the library to the middle room and had new bookshelves built. We have also purchased a new computor and now have two free access computers - one a touch screen with windows 8. We have also had some of the front windows of the house repainted.

"Do not lose heart. One of the most calming and powerful actions you can do to intervene in a stormy world is to stand up and show your soul. Soul on deck shines like gold in dark times. The light of the soul throws sparks, can send up flares, builds signal fires, causes proper matters to catch fire.

To display the lantern of soul in shadowy times like these – to be fierce and to show mercy toward others, both, are acts of immense bravery and greatest necessity." Clarissa Pinkola Estes

He Huarahi O Te Wahine Lower Hutt Women's Centre (LHWC)

Māori Focus group (MFG)

Current members to date are Kay Riddler, Desiree Phillips and Janet Matehe. We have met on two occasions early this year. It was decided then that due to member's work and study commitments, we would meet every two months. This did not evolve as we have been tending to our life demands. As a group we aknowledge the importance of the Māori Focus Group as part of the LHWC, representing and exploring options for Māori wāhine. We will meet in December 2013 with the aim of having a more productive year in 2014.

I would like to send blessing to all members of the LHWC and may you all be peaceful happy and well. Janet Matehe

Counsellor/Supervisor/Trainer/Crèche Worker

It's hard to believe another year has passed since the last AGM. I appreciate the Lower Hutt Women's Centre more each year that I work here. It is a privilege for me to continue to be a part of an organisation that works at a grass roots level for social change by acknowledging the value of Women and Children.

Crèche Space

The crèche sessions have been consistent through the year with a couple of times when there has been no children. Throughout the year a few mothers and children have used the crèche as a play group, alongside child care for the Self Esteem Workshop. This has worked well for all concerned. The main theme for the crèche sessions is peace and relationship building through play; this is supported by the children using free play and adult involvement when requested and needed.

Counselling and Group Work

Counselling

I fulfil the quota, and more, for counselling that the Ministry of Social Development Contract requires.

This is made up by a mixture of individual women, adolescents, children and family work. (The contract requires that a child under the age of seventeen years is the client, or a member of a family where a child is under seventeen). This is easily met through the women who use the Women Centre regularly and referrals from the wider community.

Family work often involves the father of the client, so at these times men use the side entrance and come into the crèche space. This works well for both the men and Women Centre herself. It is my hope that a path way and a fence can run alongside the garage up to the first gate so that the entrance to the crèche is separate from the Centre and the back yard.

Group Work

Six week courses,

Anger as a Strength x2 and Menopause x1.

Weekend workshops,

Women Who Love Too Much part 1 x2 and part 2x1.

Self Care verses Burn Out x2

Self Development using Psychodrama x2

Inner Child

My Mother My Self

Monthly support group, for women recovering from sexual abuse.

I look forward to another year ahead of being a part of a Centre that continues to empower women through education, acceptance and non-judgemental attitudes that enable women to be themselves no matter how that is.

Once again thank you to the Board of Trustees for once again a fantastic year of governance, the Centre Manager, Stephanie for all and more that you do, the Collective for dedication and commitment that keeps us moving at a day to day level, and the Volunteers who are the coal face of the Lower Hutt Women Centre. Long may she continue the great work.

Volunteer's Report

The volunteers at the Women's Centre are a dedicated group of long serving members.

They are guided in their work by the kaupapa and their job description, and their role is to facilitate the day to day running of the Centre. They are also involved in the overall development of the Women's Centre.

The volunteers meet and greet women who come into the Centre, give out information about what we do here and prepare rooms for meetings, courses and workshops. They may also offer information about what services are available elsewhere in the community. They keep the clothing donation bin organized and re-print pamphlets, record statistics and many other tasks.

Below is a list of volunteers over the last year.

<u>Yvonne Broadley</u> has recently resigned after many years as a very dedicated and reliable volunteer and collective member. Yvonne attended inspirational evenings and was an enthusiastic participant in social events. She also facilitated the Friendship Group for many years. The Women's Centre held a farewell party for her in May.

Julie Smart volunteers on a Monday. She is a member of the Collective. Julie is also just about to begin her 3rd year on the Lower Hutt COGS committee.

Kathryn Bradbury maintains the garden and works a regular Friday morning shift. She is the Centre's "Librarian". Kathryn often brings in flowers from her garden for the kitchen table.

Michelle Bougen volunteers on a Thursday morning. She also works in the crèche on a Friday morning when Ally is away.

Lynn Topley completes the weekly banking, coordinates the payment of the volunteer's book vouchers and inputs monthly bookkeeping data for the Centre donations. She is at the Centre on Mondays and is also a Collective member.

Clare Caffery is not currently volunteering, but over the past year has been involved in supporting women attending mosaics on a Tuesday. She has also co-facilitated a six week Self Esteem for Teens Workshop with Stephanie.

Tani Harper looks after our website.

The volunteers have ongoing supervision and training which is alternated on a Wednesday morning. Ally Andersun facilitates some of the training and alternate monthly supervision, while the volunteers take turns facilitating peer supervision in-between.

Training topics this year have included:

- A visit to the Kapiti Women's Centre
- Feminism: Three short TED talks
- Negotiating Difficult People
- Treaty of Waitangi
- Feminism, sex and gender
- Te Timatanga Hou New Land, New Beginnings
- The Orator; Samoan story of courage
- Homophobia
- Why be a volunteer.

Treasurer's Report

I am pleased to report in these times of financial challenge we have again continued to function with integrity and astute financial accounting procedures which gives us the solid foundation to do our work.

I would like to thank Stephanie Brockman (Manager), for her financial work in administering the day to day management of Women's Centre's finances and the compiling of monthly reports for the Board of Trustees.

I would like to thank Lynn Topley, (Volunteer) for her continued commitment to the weekly banking, a role she has undertaken for some years now. We appreciate this Lynn.

Thanks and appreciation also go to the Board members Rose, Colleen, Mandy and Pam who have once again approved the accounts, asked the right questions and taken on the legal responsibility of financial management for our Women Centre. Acknowledgement also goes out to the many women who continue to donate money to assist in the ongoing maintenance of the Women's Centre. Thank you.

Finally I would also like to acknowledge our auditor Carol Lightfoot who has completed a full and efficient audit of our accounts. Her report follows the statement.

Auditors Report to the Members of Lower Hutt Women's Centre Inc.

I have audited the attached financial statements. The financial statements provide information about the past financial performance of the Lower Hutt Women's Centre (Inc) and its financial position as at 30 June 2013. This information is stated in accordance with the accounting policies set out on pages 1 to 7.

Board responsibilities

The Board is responsible for the preparation of financial statements which fairly reflect the financial position of the Lower Hutt Women's Centre (Inc) as at 30 June 2013 and the results of its operation for the year there ended.

Auditor's responsibilities

It is my responsibility to express an independent opinion on the financial statements presented by the Board and to report my opinion to you.

Basis of opinion

An audit includes examining, on a test basis, the evidence relevant to the amounts and disclosures in the financial statements. It also includes assessing:

- e the significant estimates and judgments made by the Board in the preparation of the financial statements, and
- whether the accounting policies are appropriate to circumstances of Lower Hutt Women's Centre (Inc), consistently applied and appropriately disclosed.

I conducted my audit in accordance with the generally accepted auditing standards in New Zealand. I planned and performed the audit so as to obtain all the information and explanations which I consider necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatements, whether caused by fraud or error. In forming my opinion, I also evaluated the overall adequacy of the presentation of information in the financial statements.

Other than in my capacity as auditor I have no relationship with, or interest in Lower Hutt Women's Centre (Inc).

Fundamental uncertainty

In forming my unqualified opinion, I have considered the adequacy of the disclosures made in the financial statements in respect to the funding available to Lower Hutt Women's Centre (Inc). The financial statements have been prepared on a going concern basis, the validity of which relies upon future funding being available. The financial statements do not include any adjustments that would result from the failure to obtain funding.

Unqualified opinion

As is common with other organisations of a similar nature, control over income prior to its being recorded is limited, and there are no practical audit procedures to determine the effect of this limited control. In this respect alone I have not obtained all the information and explanations I required. In my opinion:

- proper accounting records have been kept by Lower Hutt Women's Centre (Inc), as far as appears from my examination of those records;
- the financial statements on pages 1 to 7:
 - comply with the generally accepted accounting standards
 - fairly reflect the financial position of Lower Hutt Women's Centre (Inc) as at 30 June 2013 and the results of its operations for the year ended on that date.

My audit was completed 5 September 2013 and my unqualified opinion is expressed as at that date.
